SECRETARY

January 30, 2004

Dear Home and Community Based (HCB) Applicant, Parent or Guardian:

This notice is to inform you that you may now qualify for HCB Services. To ensure medically needy recipients receive the services needed, the criteria used to make this determination have been changed.

If you were denied HCB Services on or after April 4, 2003, and believe you still need these services, then you should contact an HCB provider in your area. The HCB provider will complete an assessment of your medical needs using the changed criteria.

If you appealed the denial and still lost your HCB Services, you should follow the directions above.

Should you have any questions about this letter, you can call the Department for Medicaid Services at 1-800-635-2570 and get information about this notice.

Sincerely,

Russ Fendley
Commissioner
